

Quilting In The Falls
Red River Quilters' Guild
Guild Block -- 2017 Quilt Show

The guild block represents our membership, both in numbers and in creativity. At the quilt show we will have one display of all our blocks and it will be a stunning display. Every member is asked to make one block to put in the display.

The 2017 quilt show will feature *Quilts of Valor* that will be presented to our local veterans in an awards ceremony at a future Guild Meeting. Our Guild Block emphasizes our Quilts of Valor theme and our support for our military.

Each blocks should be made of *red, white and blue* fabric, made in *any pattern* of your choosing. After completing your block, add backing and batting, quilt and bind. The block should be 12" finished.

Please put your name on the back of your block.

Once finished, give your block to Judy Breyen. If you need a square of batting for your block, Audrey has some available.
